grusonii going
limp?

FRANCO

@marco How often
do you water it?

MARCO

@franco Once
every two weeks

LUISA

I had the same...

FRANCO

@marco Try giving
it more often

Floppy Kalanchoe

User in Help my plant

It's been two weeks, I thought the soil was just too moist, but now it's dry and the plant is still floppy :(

Do you have any advice?
